Opening Business Session – Friday, July 23

Grand President Chris Hoye (Ferris State '91) called the meeting to order at 9 a.m. Friday, July 23. Convention Secretary Nicholas Zuniga (Ball State AI) called the roll. Quorum was declared.

The voting procedures were explained. Al Shonk (Southern Cal '54) was announced as the parliamentarian and David Schell (Clarion '73) was announced as the assistant parliamentarian. Delegates were instructed that Roberts Rules of Order would be followed.

Chancellor of the Court of Honor Sean Shingler (George Mason '97) introduced other members of the Nominating Committee: Court of Honor member Dave Spreitzer (Kentucky '80), Grand Council Director David Cohen (Union '88), Fourth Degree members Sean Eaves (Midwestern State '93) and Ryan Ward (Idaho State '96) and undergraduates Zane Fisher (Wisconsin/Milwaukee) and Jason Tifford (American).

Brother Shingler announced that David Cohen, Chris Hoye, and Darald Stubbs (Stetson '88) had been nominated for Grand President. Brother Cohen declined the nomination. Brothers Hoye and Stubbs accepted their nominations.

Brother Shingler introduced the candidates for Grand Council. The following brothers all accepted their nominations: Adam Carter (Hobart '90), Steve Chastain (Pitt State '10), Jacob Defassio (Valparaiso '12), Atif Elkadi (Cal Poly '01), Matt Gregory (Southern Illinois '95), Brandon Paternoster- (Ferris State '04), Kenny Rogers (Hope '04), and Darald Stubbs.

Nathanael Lopez (LIU/Post) made a motion to close nominations. Tom Wright (Wisconsin/Milwaukee '92) seconded the motion.

Glenn Roby (Northern Illinois '91) was nominated from the floor for the position of Grand President. Brother Roby respectfully declined the nomination.

Jonathan Taylor (RIT '09) was nominated from the floor for a Grand Council position. Brother Taylor respectfully declined.

It should be noted that pursuant to Article III, Section 14 of the Bylaws, Brothers Roby and Taylor were not eligible to be nominated from the floor as their names had not been previously submitted to the Nominating Committee.

The motion to close nominations carried.

Brother Shingler announced that Grand President interviews would take place later in the day. He asked that any questions delegates wished to have asked of the Grand President candidates be submitted by the end of that day's scheduled brunch. He also announced the location of the interviews and said members were welcome to attend the interviews.

Brother Jeff Liesendahl (Northern Illinois '87) gave the report of the Credentials Committee. He introduced members of the committee as Grand Council Director Atif Elkadi and undergraduate members David Simile (Georgi Tech) and Noah Fleece (Auburn). He reported that according to the Constitution and Bylaws, a stated national emergency allowed the Grand Chapter to suspend portions of the Constitution as needed. According to the governing documents, any chapter with less than six members is ineligible to vote. The Grand Chapter had voted the day before to suspend that rule. As a result, every chapter with less than the required number of brothers will have at least one vote.

He also reported that the committee had met with Psi Septaton (Valdosta State), which had presented an acceptable plan and was granted full voting rights. The committee planned to meet with Nu Chapter (Lehigh) later in the day.

As chair of the Constitution and Bylaws Committee, David Cohen introduced the other members of the committee: David Schell, Grand Council Directors Darald Stubbs and Jonathan Taylor, and undergraduates Nate Hayden (Minnesota) and Christian Grzejka (Radford).

He reported that previously proposed changes had been posted to the website in the weeks leading up to Convention. He asked that any additional proposals be submitted by noon.

Brother Cohen gave a brief overview of the proposed changes that the committee would submit to the Convention floor. Topics included a change in the nomination process and term limits for Grand Council Directors, changing the wording "colony" to "provisional chapter," changing the status of the DEI Committee from an ad hoc committee to a standing committee, removing the requirements for the dimensions of the fraternity flag, and removing the words "permanent and forever" from the expulsion process.

Brother Cohen announced that the Constitution and Bylaws Committee would hold open hours later that day and invited all brothers interested in discussing specific proposals to meet.

Chair of the Resolutions Committee, Scott Jacobson (Cal Poly '01), asked for volunteers to join the committee. He said members would meet once that afternoon.

Chief Operating Officer Zuniga gave the report of the Executive Director, which is attached.

The following President's Special Achievement Awards for 2021 were presented:

Business Session, Saturday, July 24

The meeting was called back to order at 9:10 a.m. Saturday, July 24 by Grand President Chris Hoye.

Convention Secretary Zuniga called the roll. Quorum was declared.

The biennium report was presented and is attached.

Brandon Paternoster made a motion to accept the biennium report. David Spreitzer seconded the motion. The motion carried.

PSK Foundation President John Sheehan (Northern Illinois '82) presented the report of the Phi Sigma Kappa Foundation. The report is attached. It was also announced that Brother Sheehan had retired as President of the Foundation.

Phi Sigma Kappa Properties President Shawn Shivnen (Eastern Michigan 00) presented the report of Phi Sigma Kappa Properties. The report is attached.

Jeff Liesendahl presented the report of the Credentials Committee. He reported that both Psi Septaton and Nu would receive their full voting privileges.

John Sheehan moved to accept the report of the Credentials Committee. Shawn Shivnen seconded the motion. The motion carried.

David Cohen presented the report of the Constitution and Bylaws Committee. He said five proposals have been posted to website for the past two weeks and that no further proposals had been received.

He thanked all members of committee for their pre-work and said that all proposals would be presented and voted on under New Business.

Scott Jacobson moved to accept the report of the Constitution and Bylaws Committee. Greg Stack seconded the motion. The motion carried.

Scott Jacobson thanked members of the Resolutions Committee. Members included Kameron Mand (Wisconsin/Milwaukee), Jacob Sommer (Northern Illinois), Chris Schrimsher (Eastern Michigan '14), Javonte

Warrener (Wisconsin/Milwaukee), Wil Peetoom (Cal State/Northridge '95), Bart Sheeler (Dayton '81), Adam Carter, Kenny Rogers, Paul Lees (Cal State/LA '77) and Liam Fitzgerald (Radford).

He reported that resolutions would be presented under New Business.

Jacob Sommers made a motion to approve the report of the Resolutions Committee. Greg Stack (Kentucky '89) seconded the motion. The motion carried.

Sean Shingler again thanked members of the Nominating Committee: Dave Spreitzer, Sean Eaves, David Cohen, Jason Tifford, Zane Fisher, and Ryan Ward.

He explained that the committee's charge is to make a recommendation of the strongest slate. He said the Fraternity has a strong, talented volunteer system and is humbled to know so many are willing to serve. He said the committee underwent a vigorous process and implored candidates that even if they are not on the slate, to please continue to serve.

He announced the slate as Chris Hoyer for Grand President; and Darald Stubbs, Atif Elkadi, Matt Gregory for 4-year Grand Council terms and Brandon Paternoster for a 2-year term.

David Epstein (Southern Illinois '75) made a motion to accept the report of the Nominating Committee. Darald Stubbs seconded the motion. The motion carried.

New Business

David Cohen presented the proposed amendments to the Constitution and Bylaws that had been approved by the Constitution and Bylaws Committee.

The first proposed change is to Bylaw Article XIV, Section 3. The current wording calls for the official flag to measure seven (7) feet by five (5) feet. The proposed change would eliminate the specified dimensions.

Matt Waltz (Marian '82) made a motion to accept the proposed change to Bylaw Article XIV, Section 3. Sean Hamilton (Stetson '89) seconded the motion. The motion carried.

There was a proposed change to the Constitution, Article III – Committees, Section 2 – Standing Committees and Bylaws, Article IV – Committees, Section B – Standing, Section 1.

The Diversity, Equity, and Inclusion Committee was appointed as an ad hoc committee. The proposed changes would make the committee a standing committee.

Jacob Defassio made a motion to accept the changes to the Constitution and Bylaws regarding the DEI Committee. Connor Lucy (Kentucky) seconded the motion.

Discussion was held. Delegates were informed that the committee had been appointed by Grand President Chris Hoyer approximately six months prior. The committee has been working since then and submitting proposals to the Grand Council.

The vote was called. Motion carried.

There was a proposed change to several Bylaws (Article I – Degree of Membership, Article II – Voting on Membership, Article III – The General Convention, Article IV – Committees, Article VI, Officers, Article VIII – Conclaves, and the Permanent Appendix). The proposed change is to replace the word "colony" with "provisional chapter."

Jeff Liesendahl made a motion to change the term "colony" to "provisional chapter." Steve Chastain seconded the motion.

Discussion was held. David Cohen explained that it seemed the word “colony” was an impediment to expansion. “Provisional chapter” would be more welcoming terminology. He said that several universities had expressed the desire to eliminate the word “colony.”

Glenn Roby asked for examples of those universities. Nick Zuniga said that several colleges had made the request, but he could not list specific examples.

Discussion was closed and the vote called. The motion passed.

A proposal was presented for a change to Bylaw, Article XI, Section 1, and Article XI, Section 4, dealing with the expulsion process. The proposed change would eliminate the word “permanent” from Article XI, Section 1 and “forever” from Article XI, Section 4.

It was moved by Tom Grunwald (Ferris State '91) and seconded by Wil Peetoom to accept the proposed changes to Article XI of the Bylaws.

Discussion was held.

It was explained that these changes would allow the Grand Council to adopt a policy to determine a procedure for reinstatement to membership. It is not meant to be an appeal process.

Several brothers had questions about the specifics of the policy and opinions about what should be included. David Cohen told those in attendance that if they were interested in serving on a committee to develop the policy, they should reach out to the Grand President. He also explained that all policies are developed by the Grand Council, but the Convention body can reject any policy at the next convention.

David Cohen explained that a reversal would be under extraordinary circumstances. This proposal is about removing these two words and then allowing the Grand Council to have the discussion regarding the policy.

Tom Grunwald said this was his proposed change. Initially, it was a way to support a 4th degree member. He said there were valid questions coming from the floor, but those questions are all subsequent to the change. This will merely give the Fraternity the opportunity to develop a policy. For example, the member may have to make restitution to the chapter if expulsion was for financial reasons. A summary of who they are and how things have changed, and an alumnus sponsor are also possible inclusions in a new policy.

The fact that the proposal was vague was also mentioned. David Cohen explained that the Constitution and Bylaws are a framework and supposed to be vague. The specifics are then developed in the policy manual.

Discussion was closed and the vote called. The motion carried.

A proposal was put forth to the floor of Convention concerning the Nominating Committee. Several proposed changes were included:

Constitution
Article III
Committees

Section 2.

The proposal would add the Nominating Committee as a Standing Committee of the Fraternity.

Section 3.

The proposal would have the Chancellor of the Court of Honor appoint a Nominating Committee immediately upon being appointed chair of the Nominating Committee, which will immediately begin identifying potential candidates for the Grand Council based on needed competencies and potential candidate skill sets. Previously, the Nominating Committee was appointed six months prior to Convention.

Bylaws

Article IV

A. CONVENTION

Section 1. Nominating Committee

- (a.) The proposal would change the make-up of the committee. Previously, the committee was made up of (2) Fourth Degree members, (2) undergraduate chapter presidents, (1) Grand Council Director whose term is not expiring, and (1) Court of Honor member.

The proposed change would change the (2) Fourth Degree members to (2) Third Degree or higher brothers (to exclude current staff).

In addition, Nominating Committee members shall not serve more than two consecutive terms on the Committee. Should any member of the Nominating Committee resign, or otherwise be unable to continue to serve prior to the next convention, the Chancellor of the Court of Honor shall replace him with a member of like position, degree and / or status as outlined above.

- (b.) As outlined in the proposed change for Article III, Section 3, the Nominating Committee will immediately begin soliciting for nominations for eligible candidates for the offices of President and Directors. The committee would also actively seek and recruit potential candidates based on needed competencies. This proposed change would also eliminate the necessity to meet during the General Convention.
- (c.) The proposed change would call for candidates to be interviewed throughout the process and that the committee would determine a slate of candidates no less than 30 days prior to the start of Convention. Interviews could take place virtually or in person. It would also change the requirement for former staff members to be at least five years removed from employment, as opposed to two years.

Constitution

Article III

Section 14.

The proposed change would obligate the committee to interview all candidates who have been nominated. It would also allow nominations from the floor only if the entire slate of candidates is rejected when presented. Individuals would be eligible to be nominated from the floor only if they had previously been nominated and interviewed by the Nominating Committee. The proposed change would also require all nominations to be submitted at least 60 days prior to the start of Convention.

Bylaws

Article IV

B. STANDING

The proposed change would add the Nominating Committee as a Standing Committee, as opposed to a Convention Committee

Bylaws

ARTICLE VI

OFFICERS Section 2.

The proposed change would change Grand Council term limits from (3) four-year terms to (2) four-year terms.

Glenn Roby asked for an explanation and a reason for the proposed changes.

Jim Schmitz (UC/Santa Barbara '80) explained that the main emphasis was to make the Nominating Committee a standing committee so that the committee can continue to recruit throughout the biennium. He said that at times the Fraternity's board has been top heavy and that there may be a need for different talents at different times. The proposed changes would provide an opportunity for a thoughtful presence as opposed to simply interviewing and selecting right before or during a Convention.

Glenn Roby said he felt the power of the convention body would be lessened if the entire slate had to be defeated, as indicated in the proposed change to Article III, Section 14. He said he felt the power should always rest with the people.

Bruce Johnson (Illinois '70) said he agreed with Brother Roby and asked to separate the various proposals.

Brother Johnson made a motion to amend the proposal and strike the sentence referring to rejecting the entire slate. Greg Stack seconded the motion.

Discussion was held on the amendment.

The vote was called. The amendment passed.

Tom Wright made a motion that the proposal to Article VI, Officers referring to the change in term limits, should be a separate proposal. Sean Hamilton seconded the motion.

The motion carried.

Discussion continued on the full proposal, without the term limit proposal.

Scott Jacobson pointed out that the process is what the Fraternity has done for the last couple of years. This amendment would just formalize the procedure. He pointed out that the Nominating Committee started seeking certain individuals. As an example, he explained that it was clear that Jeff Liesendahl had a solid financial background, which helped the Fraternity get through the pandemic.

Discussion was closed and the vote called.

The motion carried.

Ryan Maiden (West Virginia) made a motion to accept the proposed change to Article VI, Officers. Adam Pilder (Eastern Michigan '03) seconded the motion.

Discussion was held concerning term limits.

There was a question about those who would be elected to 2-year terms.

It was explained that this proposal would pertain to brothers elected to a 4-year term. There will be people who are elected to complete a 4-year term, so they have not been elected to a 4-year term.

The motion passed.

Scott Jacobson and members of the Resolutions Committee presented the resolutions.
